Teas

We believe in offering the highest quality ingredients across our food and beverage and when it comes to tea it's no different.

That's why we chose eteaket, based in Edinburgh eteaket was started in 2008 when tea lover Erica Moore gave up her fast paced life as a lawyer to follow her dream. Today Erica's dream is a reality with a stunning range of loose leaf tea for all to enjoy.

Coffee

We have specially selected the finest coffee for you to enjoy here at Archerfield.

Our coffee supplier uses the UK's only custom built convection air roaster to create perfectly smooth and flavoursome coffee. Using some of the world's finest coffee beans and roasted right here in Scotland.

Filter

Our filter coffee is made using a single origin Columbian bean roasted to provide a light profile with a lovely body and well balanced flavour. Notes of chocolate, fudge and hazelnut.

Bean

Our Espresso coffees are made from a smooth and chocolatey coffee roasted medium to light to bring out all the flavours. Blended using the finest 100% Arabica beans from south and central America. Notes of zesty mandarin and chocolate.
